WELCOME!

Thank you for registering for the 45th annual Trinity Health Seaway Run, we're so glad you're here! Whether you're joining us for the first time or you've made this race an annual tradition, welcome to one of Michigan's most scenic and inspiring races. A run along the lakeshore is always a good idea, and we're proud to offer a course filled with beautiful views and community spirit.

Your participation means more than just race day fun, it supports year-round impact through the Muskegon YMCA. Thanks to you, kids across Muskegon County can learn lifesaving water safety skills, families have better access to nutritious food, children have safe spaces to grow and thrive, and adults can connect to programs that support healthy living and well-being.

On behalf of our entire team, thank you for being part of something bigger. We're grateful for our sponsors, community partners, volunteers, and staff whose hard work makes this weekend possible.

We hope you enjoy the experience, from the race expo to the finish line celebration. Here's to a great weekend, and to a run with a view!

See you at the start line,

The Trinity Health Seaway Run Team

SEAWAY SUPPORTS THE COMMUNITY

When you register for the Trinity Health Seaway Run, you're doing more than crossing a finish line, you're making a lasting impact in the Muskegon community. Proceeds from the event help fund year-round programs at the Muskegon YMCA, focused on improving health and well-being for people of all ages.

From teaching kids vital water safety skills through our Safety Around Water program, to delivering fresh produce with our Mobile Farmers Market, to helping individuals prevent and manage chronic disease, your support helps bring these essential services directly into neighborhoods throughout Muskegon County.

The Seaway Run is an event full of movement, connection, and local pride, and thanks to you, it's also a force for good that lasts long after race day.
